MONTHLY BREW

King Cake Latte

Since Mardi Gras or Fat Tuesday takes place in February and is the celebration of Christian feasts of the Epiphany (The Kings Day), we are excited to introduce our King Cake Latte. The King Cake Latte is available now and you can order yours hot or cold.

The King Cake Latte has a delicious flavor with hints of brown sugar, caramel, and cinnamon which pairs greatly with one of our locally famous cinnamon rolls. We know you're going to love it. Available through February only.

Pop Up Shop - February 20th

We are excited to have Zoe Navy of Cupcakes by Zoe at the Coffee House on Saturday, February 20th. She will be here with a fantastic selection of cupcakes. Please be sure to follow Cupcakes by Zoe on Instagram at [@Cupcakes.By.Zoe](https://www.instagram.com/Cupcakes.By.Zoe) to see more of her wonderful desserts. Zoe offers both pickup and delivery.

Just Trust Us! Drink Option

How much do you trust us? Do you have enough faith in us to make a drink for you based on what we think you'll like? Our baristas think they know you fairly well and they want to make you a drink of their choice. One they think you will not only like, you'll love. If you're up for the challenge, let them know that you trust them and they will get to work making something they are sure you will love.

Disney Trivia - February 12th

This month's Brain Grinder event is on Friday, February 12th and the theme is Disney. If you think you know all there is to know about Disney, this is the night for you to come out and test your knowledge. Don't forget to bring your "Disney Friends" because this trivia night is really going to test your Disney knowledge.

This month's trivia questions have been written by Michael & Zara Agnew, a couple from Dallas, Texas who love Disney and all things Pop Culture! In the Fall of 2017 they started a podcast as a small fun project to do as a couple, and it quickly became their highlight of the week. While there are dozens of other amazing Disney podcasts, they try to provide a fun and entertaining conversation about Disney and Pop Culture as a whole.

Please take a moment to subscribe, and listen to their podcast, Married with Mouse Ears. You can find everything about them on their website at MarriedWithMouseEars.com. Their podcast

is available on Apple, Google, Spotify, Castbox and Audible Podcasts. Be sure to check them out and if you like what you hear, leave them a positive review, and let them know **1820 Coffee House** sent you.

National Muffin Day

Saturday, February 20th is National Muffin Day – and we've got a deal for you! Stop by on Saturday, February 20th during open hours, 7:00 am – 8:00 pm and get buy one muffin and get a second one for half price. We have several flavors to chose from, including Blueberry, Banana Yogurt and Orange Cranberry.

Staff Spotlight

This month's Staff Spotlight is on Emma Shelton. Emma joined 1820 Coffee House in January and we're very excited to have her on the team. She was a regular visitor and she's already become a great addition.

Emma was a home school student and is currently attending Alvin Community College in pursuit of her nursing degree. She is also very active in extracurricular activities, including knitting, sewing, pottery and the Alvin Toastmasters Club. Please take a moment to welcome her the next time you are in to get your favorite drink or food.

Loving Life Exhibit - Art on the Walls

If you haven't been to 1820 Coffee House recently, you should stop by and check out the new artwork that has been put on the walls. Dr. Julie Howard, of JHoward Organic Pastels has been gracious enough to not only supply us with some fantastic artwork, but she stops by and changes it out periodically, so that there is always a fresh look at 1820.

We are so fortunate to have such a fantastic artist that lives in Alvin and is happy to share her art with the local community. You can find out more about Dr. Howard and her art at OrganicPastels.com. All pieces are available for purchase.

Also, we want to give a shout-out to our January "Television" theme champions. Congratulations to Cary Perin, Danielle Perrin, Aimee Shelton and Darren Shelton. We're pretty sure they will be back in attendance to defend their Brain Grinder title.

Award Winning Author

We are fortunate enough to have in our local community another artist in the form of award-winning author, Glenn Starkey. Glenn is the author of over a dozen books, most of which are available in the coffee shop. All books are available for \$15.00 and each is personally signed by the author. These books are available online as well, but they are not autographed, and the price varies from store-to-store.

We encourage you to take a look at the selection available as we're sure there is something that will interest you. These books are a variety of thriller and historical fiction.

Creating Community Podcast

Dorian and Jake are very excited to continue with their Creating Community with Dorian & Jake podcast. And we thought we'd share our list of guest that will be on the podcast during the month of February. Tammie Laird of Nightlights by Tammie and Elora Laird Art, Tyler "Farmer" Froberg of Hope Farms, Monica Flores of Money Management by Monica and Judge Matt Sebesta of Brazoria County.

If you haven't listened to Creating Community, you can find it where you like to listen to your podcasts including Google, Apple, Spotify, Castbox or Audible. Of course, if you don't have a platform you like to use, you can listen directly from our website at 1820CoffeeHouse.com/podcast.
