# MONTHLY BREW

## Hey Hey Hey Subscription Boxes are on Their Way!

If you haven't heard we are launching our subscription box program this month! This program is a "local" program and each will include a bag of our regular coffee (Texas Pecan, Medium, or Dark Roast) and one specialty coffee (not available at the coffee house) as well as some specialty goodies only available through the subscription box picked out just for you!

It could be an item, product, or special offer available at the coffee house but you won't know till you open up your box. Did we mention these are exclusive? As in it's too late to sign up for this month's box it is not too late to sign up for next month's!

## The Frickle Panini

Yes, you read that correctly, it says frickle for a reason. This month we are launching our "Frickle" panini! The original thought was to try to take the flavor of a fried pickle and put it into sandwich form. We think we hit the nail on the head. The savoriness mixed with the toastiness of the bread dipped into some ranch dressing is what your palette didn't know it needed. So next time you're in the shop, don't be a pickle and try the new frickle panini!

## Drink of the Week

When it comes to new flavors, our baristas know how to come up with some new and delicious drink options. We will have a new flavor for you to try every Monday so just look on our whiteboard or ask our baristas next time you're in. The possibilities of flavors are endless and we guarantee you won't be disappointed.

## One Whole Year!

Many of you joined us to celebrate our one-year anniversary last month and we could not be happier about the turnout we had! Your smiling faces, love, and support mean the world to us here at 1820. We had a little poster for everyone to sign at the event and you can now see it displayed inside the shop. Take a peek at all the names and see if you can find your own!

Thank you to those that have supported us through our first year.

## Up, Up, and Away Flights are Here and Here to Stay!

Our coffee flights have been a huge success and we thought it'd be a great idea to add a bit of flair to the menu. So, we are spicing up our flight menu with some new summer flavors that you're sure to fall in love with. Now if you're asking what exactly is a latte flight? Well, it is an opportunity for you to try up to four different cold coffee drinks. You can choose from cold latte's, cold brew, cold coffee, or whipped coffee.

BUT our summer flights will have a variety of refreshing iced drink options including teas and lemonades. Consider getting one on your next visit to 1820 Coffee House. If you're considering some milk alternatives, you can try the same drink, each with a different milk alternative, Whole Milk, Almond Milk, Oat Milk, or Coconut Milk. It's an opportunity to see if you like the alternatives.

Of course, you can always just stop by with your significant other and share the flight. Seems like a good choice to us and we think you'll see 1820 Coffee House is a great place for a local date night.

## Cold Brew Growlers

You asked and we heard... we are happy to introduce our Cold Brew Growlers. You can now get your cold brew to go. Stop by and pick up your 32 oz Growler filled with ready-to-drink or

concentrate (your choice) cold brew. When you purchase your bottle, we'll prepare it and mark it as regular or concentrate. We think it's a great option when you know you're not going to be able to make it in for a day or two. Gotta get your 1820 Fix!

## New Shirts, Mugs and Hats OH MY!

Yes. We know. It took way too long to get these but wait no more because our new merch has arrived! We have several new hat colors available that look pretty cool if we do say so ourselves. We have also partnered with Alvin Chamber of Commerce for our "Shop Local" tees. Part of the proceeds goes towards helping out new businesses. Last

but not least we have two new mug options available! Out of the two styles, we have one that you could take along on your next camping trip or one that looks like it belongs on your dad's desk. The choice is yours!

## Father's Day!

For all the dads reading this... **Happy Father's Day!**

Mother's Day is so last month... June is all about celebrating dads. June 20th will be here in no time so we recommend grabbing your dad a **bag of 1820 coffee** or an **1820 Gift Card!** We'll also be here to celebrate your dad whether it is Father's Day or not but 1820 sure is a great place for spending some one-on-one time with dad.

## What events would you like to see?

We are always working towards Creating Community Once Cup at a Time. In doing so, we are constantly looking for opportunities to do just that. If you have an idea of an event that you think will help create community, we'd love to hear about it. Please send us an email to [Info@1820CoffeeHouse.com](mailto:Info@1820CoffeeHouse.com) with your ideas.

## Brain Grinder Trivia Night

It's that time... again!! Our monthly trivia night is scheduled for Friday, June 11th. Come out the second Friday of the month and you'll see how we are kicking off the summer with our Summer Edition Brain Grinder night!

As a reminder, entry is \$10 per team of up to four. Each team member (up to four) of the winning team wins a prize, which may or may not include a gift card to your favorite coffee house and/or a prize that matches the theme of that month's trivia.

## Half Brother Music Night

We're kicking off a summer music series with Half Brother, a local band. They'll be hanging out singing some originals as well as covers on June 18th from 6-8. Check them out at [Instagram.com/HalfBrotherTX](https://www.instagram.com/HalfBrotherTX).

## Share 1820 Coffee House with others!

Did you know that your favorite coffee house is still Alvin's **best kept secret**? We don't want to be a secret; we want everyone to know about us. We would love it if you would like and share our Facebook and/or Instagram page on your own pages. And, if you really want to "**share the love**" a 5-star review on Google would be very appreciative.
